June 6, 2018

To: Potential Mentors of High School Students

Subject: **Information Meeting June 19, 2018 @ 6:30 pm Lakeview Elks Lodge**

Greetings,

As you may or may not know, Lakeview High School received a revitalization grant to improve its welding and small engines facilities and curriculum. A portion of this grant is to strengthen the connection between our students and the community through mentoring and/or pre-apprenticeship types of work experience opportunities.

You have received this note as you have been identified as a possible contributor to the success of this program through becoming a mentor or possible work location for a Lakeview High School student to be engaged in these programs.

We cordially invite you to attend a dinner on June 19, 2018, Lakeview Elks Lodge at 6:30 p.m. to discuss the grant, and what we are seeking from the community.

If possible please contact the LHS office at 541-947-2287, to let us know if you can attend, as we would like to get a count to order meals for the event.

We look forward to seeing you at the meeting and hope you will consider attending and being part to the revitalization of our welding and small engines programs.

Sincerely,

Will Cahill, Superintendent
Lake County School District 7

Fred Smith
CTE Coordinator

Sincerely,

Jack Thompson, Superintendent
Lake County ESD
