FEE INFORMATION

Deferred plan submittal fees are in addition to the project plan review fee. Deferrals are \$150.00 for each deferred or 10% of the permit fee based on the value of the deferred work, whichever is greater. Deferrals are defined by Plan Review staff.

NOTICE

DEFERRED SUBMITTALS: For the purpose of this section, deferred submittals are defined as those portions of the design that are not submitted at the time of the application and that are to be submitted to the building official within a specified period.

Deferral of any submittal items shall have the prior approval of the building official. The registered design professional in responsible charge shall list the deferred submittals on the construction documents for review by the building official.

Documents for deferred submittal items shall be submitted to the registered design professional in responsible charge who shall review them and forward them to the building official with a notation indicating that the deferred submittal documents have been reviewed and found to be in general conformance to the design of the building. **The deferred submittal items shall not be installed until the design and submittal documents have been approved by the building official.** (OSSC 106.3.4.2)
