

“No Spray” Permit Provisions

The term Road master as used herein shall mean the Lake County Road Department’s Road master or his duly authorized representative. **All “No-Spray” permit requests are due to the Lake County Road Department office by March 1st of each year. Please mail permits to P.O. Box 908, Lakeview, OR 97630.**

The Permittee has requested that Lake County Road Department eliminate the application of herbicides adjacent to or in front of its property. The Permittee agrees to maintain the Management Area specified in the attached Work Plan in accordance with the provisions for vegetation control specified in these General Provisions and in the attached Work Plan. The General Provisions and attached Work Plan are incorporated as part of the No-Spray Permit (“Permit”).

1. The Term of this Permit is one calendar year, from January 1, to December 31. This permit shall not be assigned or transferred.
2. Permittee shall conduct all operations which are the subject of this Permit in compliance with all federal, state, county, and municipal statutes and ordinances, and with all regulations, orders, and directives of appropriate governmental agencies, as such statutes, ordinances, regulations, orders, and directives now or during the term of this Permit exist or provide.
3. The Permittee shall control all vegetation in the Management Area, including noxious weeds by cutting, mowing or hand pulling, in lieu of chemical treatment, unless otherwise specified in the attached Work Plan.
4. The Permittee shall install clear, visible signs signifying the starting and stopping points of the “no spray” area.
5. All vegetation in the Management Area shall be maintained to the heights specified in the attached Work Plan during the time periods specified in the attached Work Plan.
6. If failure to control any vegetation in the Management Area results in sight distance problem or other hazard to the road user, the Lake County Road Department may remove the vegetation without notice and the removal could include the use of herbicides.
7. No work shall be performed by the Permittee which would in any way restrict the proper functioning of the road drainage facilities.
8. Permittee shall not perform any activity on the paved or gravel surface of the County Road. Permittee shall use extreme caution while working near the County Road and shall not interfere in any way with the road traffic.

9. The work authorized by this Permit shall be performed to the satisfaction of the Road master. The Road master reserves the right to revoke or cancel this permit at any time should the Permittee fail to comply with the terms, conditions, regulations and provisions contained herein.
10. The utility companies have the right to install and maintain their pole lines or other facilities buried within the right-of-way where authorized by permit. Nothing in this Permit is intended to affect the right of any utility company to conduct such installation or maintenance.
11. If for any reason it becomes necessary to discontinue the operation or any portion thereof for the purpose of repair of the roadway or the performance of any work or improvement thereon, or if the road way is being damaged by reason of this activity, the Road master may cancel the permit.
12. If the property that is the subject of this Permit is located in a Fire Protection District, during fire season, the Permittee shall submit a notification to the Oregon Department of Forestry when using power driven machinery, and abide by all fire season tool and equipment requirements.
13. The Permittee shall be responsible and liable for all damage or injury to any person or property resulting from any activities conducted under or otherwise arising from this Permit. Permittee shall indemnify and hold harmless Lake County Road Department, including its official and employees, against any and all damages, claims demands, actions, causes of action, costs and expenses of whatsoever nature which they or any of them may sustain by reason of the acts, conduct, or operation of Permittee, its agents, or employees, in connections with the work authorized by this Permit.
14. I certify that I have read the permit provisions, understand them and will abide by them.
