NARRATIVE TO ACCOMPANY RECORD SURVEY NO. 4805.

DECEMBER 11, 1985

SURVEY FOR: SPERRY/NEW HOLLAND 327 NORTH 'P' ST.
LAKEVIEW, OR. 97630

LOCATION OF SURVEY: NE 1/4, NE 1/4, SECTION 16
TOWNSHIP 39 SOUTH
RANGE 20 EAST WILLAMETTE MERIDIAN

SURVEY BY: ANDERSON ENGINEERING & SURVEYING
HC 60 BOX 730 LAKEVIEW, OR. 97630

PURPOSE OF SURVEY: To locate the boundaries of the three parcels owned by Sperry/New Holland in Lakeview.

PROCEDURE: Deed descriptions for these tracts read from the NE corner of section 16. Previous surveys have been done, as indicated, that defined 2 of these parcels and other property adjacent to the third parcel. These surveys were verified by field survey as shown. The boundaries of the parcel described in Deed volume 149 page 478 were established using the record 65 foot dimension after verifying the surrounding monuments as previously established by other surveys. Existing monuments were found in place for the corners of the other 2 parcels as shown.
