NARRATIVE: This is a dependent retracement survey to monument and define national forest boundaries in Section 21, T31N, R26E, as shown. This portion of the township was originally surveyed by William Coell in 1883, under contract #123. Beginning in 1914, an extensive dependent survey and completion survey were performed by the Bureau of Land Management, which was completed in 1926 and approved in 1928. In addition to the marks shown, all BLM markers are also stamped 'U.S. Department of the Interior, National Forest Service, 1928.' The survey was performed by the Bureau of Land Management. All new corners and access points are marked as shown. All bearing trees were measured to side-center. New bearing trees have a gold pin driven into the base at side-center, affixed with a 1/4" aluminum washer. MARKED "W. WAYNE COOK" on all. All bearing trees have a "C." red paint band. Forest service and BLM "BEARING TREE TAGS" and "ATTENTION" or "LAND SURVEY MONUMENT" TAGS.

LEGEND
