OHA Update

COVID-19 has claimed 1 more life in Oregon, raising the state's death toll from 10 to 11, the Oregon Health Authority reported at 8:00 a.m. today.

Oregon Health Authority also reported 50 new cases of COVID-19, bringing the state total to 316, as of 8:00 a.m. today. The COVID-19 cases reported today are in the following counties: Clatsop (1), Deschutes (5), Josephine (2), Lane (2), Linn (1), Marion (14), Multnomah (12), Polk (3), Tillamook (1), Wasco (1), and Washington (8). Oregon Health Authority reports new cases once a day on its website and today new demographic information was added: : www.healthoregon.org/coronavirus.

Oregon's eleventh COVID-19 death is a 69-year-old woman in Washington County, who tested positive on 3/15/2020, and died 3/25/2020 at Providence St. Vincent Medical Center. She had underlying medical conditions.

COVID-19 Modeling

- New modeling on the spread of COVID-19 under different scenarios will be released to the public tomorrow.
- With current policies and implementation, the model suggests 1000 active cases by May 8th, which is below healthcare capacity.
- May 8th is the current possible end date for existing policies based on the modeling, though this is subject to change.

Emergency Coordination Center

- Personal Protective Equipment distribution is now handled by the Emergency Coordination Center in conjunction with local health authorities.
- There is now a site informing individuals and businesses on how to donate surplus PPE. <https://www.myoregon.gov/2020/03/19/medical-professionals-asked-to-donate-surplus-ppe/>

Testing and Supplies

- 1,200 test results came in today, 5% of those tests were positive to COVID-19.
- Testing up to this point has been slowed by supply chain disruptions varying from testing kits, lab capacity, chemical availability, and specimen collection.
- OHA has received a new shipment of testing kits today that they are working on distributing.

Economic Relief

Federal Response

- Today's Senate Emergency response included \$2 Trillion in Federal Aid.
- These include significant State, Local, business and personal relief:
 - \$150 Billion to State, Local and Tribal Governments
 - \$100 Billion to Healthcare Institutions
 - \$500 Billion in loans to various companies and unemployment insurance
 - \$1200 per adult and \$500 per child
 - \$200 Million for nursing homes
 - \$45 Billion to FEMA
 - FDA loans in Oregon will see an immediate infusion of money.
- Multiple Legislators have called for "Navigators" to help people access this money.

Relief for Business

- The Governor's Office in conjunction with the Department of Revenue has made the decision to allow Oregonians to [delay the filing of their 2019 taxes till July 15](#), in line with the delay of the Federal tax filing deadline.
- However, the payment of quarterly taxes has not been delayed.
- Gas stations are likely to become self-service in the near future

Public Health Update

Out of 22 tests sent, we have now received 13 test results back that are all negative for COVID-19, with 9 tests pending.
