County Update

Effective tomorrow, April 23, 2020 the Courthouse Building will open to the public from 8:30 to 5:00. There will be a person located in the lobby who will ask a few screening questions. We are recommending that you wear a cloth mask if possible; if you do not have one, we will have some on hand to give out that have been provided by amazing community volunteers.

The Commissioners are working hard trying to get businesses in Lake County reopened. They hope Governor Brown will approve a regional reopening.

They have formed a committee to provide a plan to comply with Phase 1 of Reopening Oregon: A Public Health Framework for Restarting Public Life and Business.

Also, they are in contact daily with State Representatives and Legislators discussing the best practices to responsibly reopen.

Library

Lake County Library District facilities continue to remain physically closed to the public in response to the Stay Home, Save Lives order. Library Take Out is still available, and if you have decision fatigue, the library is now offering Library Picks. Get more information online at <https://www.lakecountylibrary.org/library-news>. Library staff have begun working on a staged re-opening plan to implement when restrictions are reduced or lifted.
