## Public Health Update

190 tests have now been completed; 183 negative test results have come back with 1 positive test and 6 tests pending.

We now have our first case of COVID-19. We knew that Lake County was not immune to COVID-19 and we have been expecting this. Lake District Hospital is prepared.

Our community has done well with wearing masks, hand washing and social distancing. We want to reinforce how important these measures are in preventing the spread of COVID-19.

Tenemos nuestro primer caso positivo del COVID-19. Sabíamos que el Condado de Lake no era inmune al COVID-19 y esperábamos esto. El Hospital del Distrito Lake esta preparado.

Nuestra comunidad a hecho un buen trabajo al usar cubrebocas, lavado de manos y distanciamiento social. Queremos reforzar que tan importantes son estas medidas para la prevención de la propagación del COVID-19.
