OHA Update

Oregon reports 71 new confirmed and presumptive COVID-19 cases, no new deaths

The state's death toll from COVID-19 is unchanged from yesterday and remains at 148, the Oregon Health Authority reported at 12:01 a.m. today.

Oregon Health Authority reported 71 new confirmed and presumptive cases of COVID-19 as of 12:01 a.m. today bringing the state total to 4,038.

The new confirmed and presumptive cases reported today are in the following counties: Clackamas (4), Hood River (1), Jackson (5), Lake (2), Lincoln (2), Marion (6), Multnomah (41), Polk (2), Wasco (2), Washington (5), Yamhill (1).

Public Health Update

181 tests have now been completed; 175 negative test results have come back with 1 positive test and 15 tests pending.

Due to the increased amount of Lake County residents going outside of the county to be tested, we will be posting only Lake Health District test numbers moving forward.

All positive test results, regardless of where they are tested, will be reported to Lake County Public Health and we will add them into our daily counts. Keep in mind that the test result figures may be off a bit due to positive results received from another county for a Lake County resident.

If you have any questions, please call Lake County Public Health at 541-947-6045, the Hospital Helpline at 541-947-2114 ext. 390, or dial 211 for information. We do not answer questions on social media as our page is monitored by admins, not healthcare professionals.
